

#### Vision:

The Barack Obama Foundation... will both plan and development a Presidential Centre for future activities, including the Presidential Library, a museum and broader campus, and engage in activities reflecting President's Obama's and the First Lady's values and priorities throughout his career in public service: expanding economic opportunity, inspiring and ethic of American citizenship, and promoting peace, justice and dignity throughout the world.

The Foundation envisions a Presidential Centre that, through its mission, initiatives and physical and virtual presence, advances and interprets the themes of civic engagement, global perspective, health and wellness, environmental stewardship, public education, a spirit of innovation, and will become an anchor for economic development and cultivate a strong relationship with the library's surrounding community.

#### Themes:

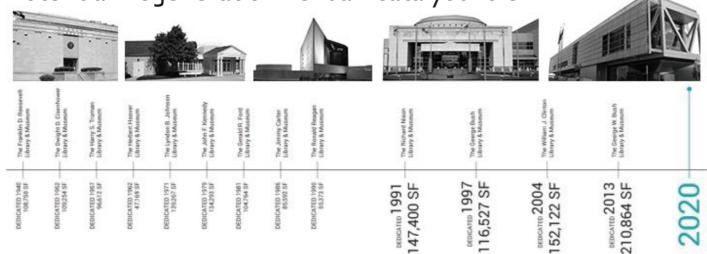

Approach to understand the future role and outcome of the Obama Presidential Library has been considered in context of three themes:

Imaginability: Expectation of vision

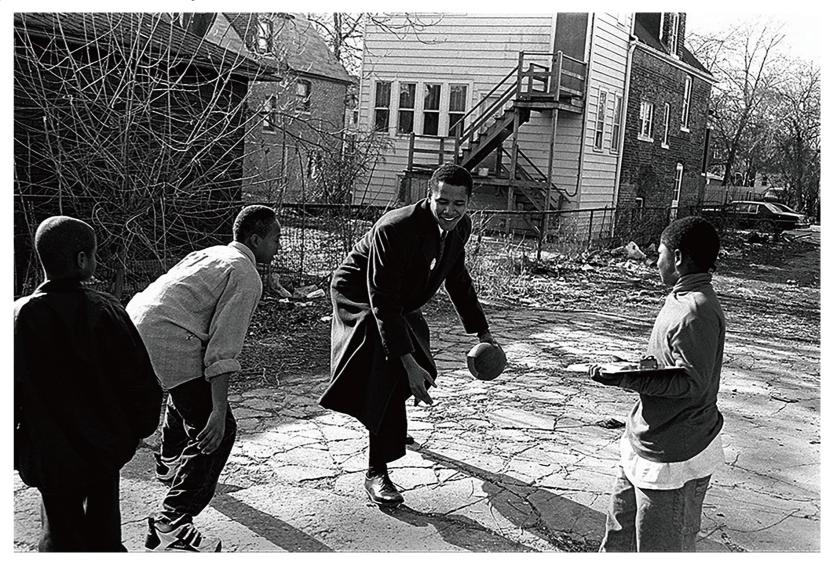

Functionality: The Presidential library will have Functions

and uses

Potential Regeneration: Urban catalyst role

## Core Principles

#### Economic Engine

- Encourages smart, sustainable, and inclusive economic growth
- Anchors public and private
- Celebrates and leverages existing community assets
- Civic identity is shaped by community
- Identified as part of the fabric of the community

#### Functional

- · Rational, purpose-driven design
- Attentive to site, infrastructure, and existing urban fabric
- Efficient in systems, materials, and operations
- · State-of-the-art archives and museum
- · Cost-effective

#### Accountable & Performance-Driven

- Responsible steward of the environment—immediate and global
- · Energy-efficient building
- · Exceeds LEED Platinum standards
- · Sustainable practices
- Embodies principles of biomimicry to create a living building

#### Flexible & Forward-Thinking

- Agile, flexible, and relevant—continually reinventing itself
- Accommodates a variety of uses
- · Is technologically responsive
- Uses best practices in sustainability, technology, and operations
- Exercises leadership and foresight, anticipating change

#### Technologically Advanced

- · Extends digital footprint
- Next-generation platform
- · New models for social interaction
- · Can adapt with changes in technology

#### Unified Design Vision

- Consistently expresses design principles, mission, and vision
- · Aligns with programmatic goals
- Communicates a clear and coherent message
- · Integration of site and building design

#### Role and Outcome

The Presidential Library comprise of:

The Presidential Library to be managed by the NARA. Maximum 70,000sqft (approximately 6,500sqm)

A museum

An outreach community centre

Total floor space of centre is expected to be about 200,000sqft (18,580sqm)

Expected outcome

Construction to cost about \$380 million

Provide approximately 3,280 construction jobs Provide 100 new jobs with an annual payroll of \$4.2 million Expected to receive approximately 800,000 visitors per year

A continuing economic benefit to the community of \$220 million per year with 1,900 permanent jobs

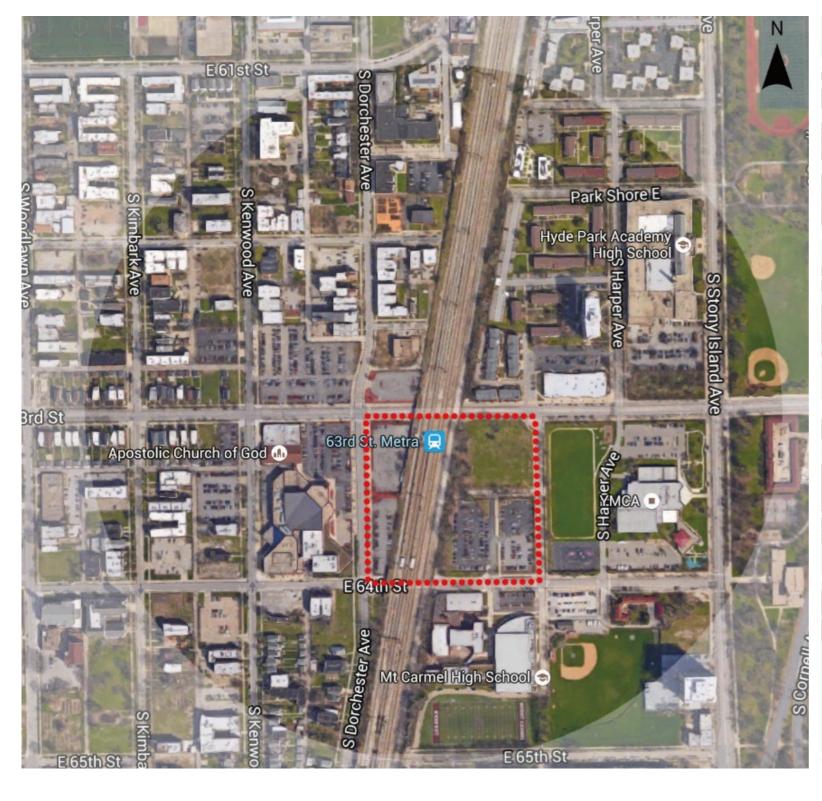

#### JACKSON PARK SITE

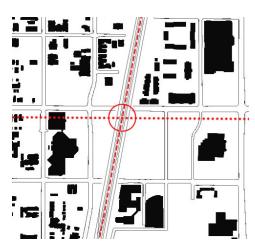

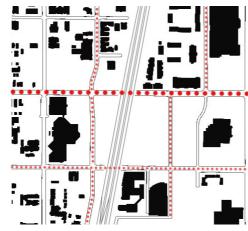

**RAIL CONNECTIVITY**  PEDESTRIAN & SURROUNDING USE **VEHICLE CONNECTIVITY**  **OPEN SPACE RELATIONSHIP &** SURROUNDING USES

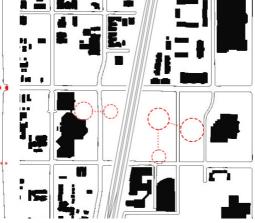

SCALE & BUILT FORM

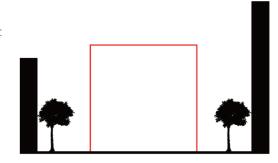

**KEY VIEWS** 

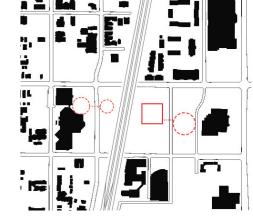

The railway line divides our site

The railway station is on our site

Excellent access east-west and north-south

Excellent access to a variety of different uses in the area

List all car parking spaces above ground Jackson Park

Excellent connectivity eastwest and northsouth around the site

Area is defined by

Avoid development within the Park

Predominate scale of development in the area is 3/4 stories

Views exist along E63rd and E64st from west to east to the Jackson Park

Land Use

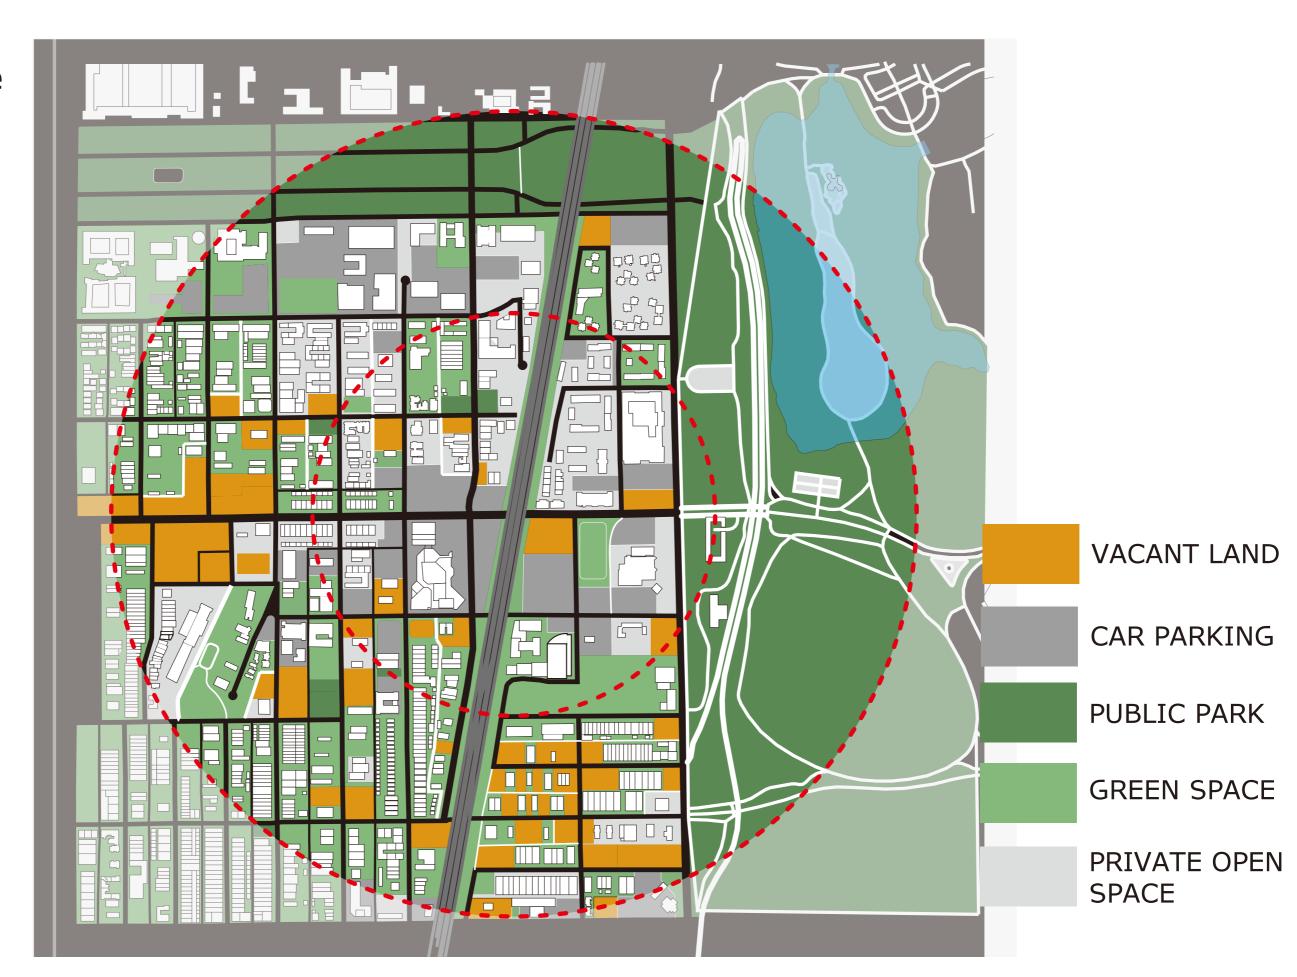

Proposed Land Use Site

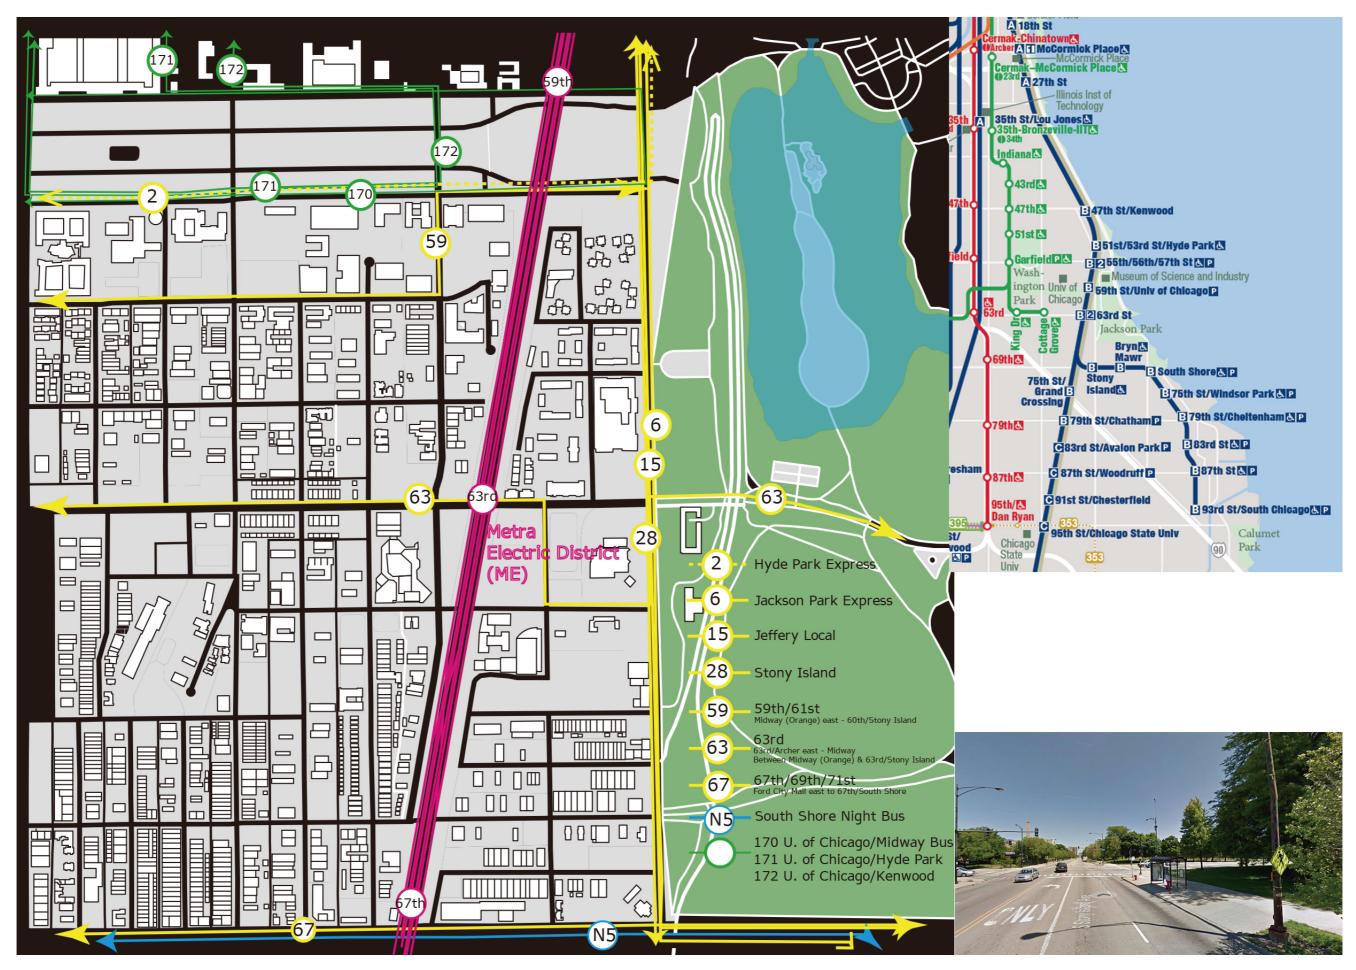

Public Space Vacant Land
